2014 AFTERSCHOOL

This year we saw a HUGE increase in enrollment numbers for our Afterschool program. We currently pick up from Zilker and Galindo elementary as well as offer a drop – off program for those participants that do not attend a school we pick up from.

Registration for next year's afterschool program began May 1st. Although we are still waiting on City Council to set our rates, we will honor the current rates until October 1st.
